

Antelope High Schools Summer Bridge '09

Goals * *

For students to:

- Strengthen specific academic skills in math and English
- Improve study, organizational, and test-taking skills
- Develop specific social and communication skills
- Familiarize students with the expectations, opportunities, resources, and environment of high school

~~~~~  
**Who:** Incoming 9<sup>th</sup> Graders

**What:** A social and academic transitional program

**When:** SCHEDULED FOR:  
July 27<sup>th</sup> - 31<sup>st</sup> Monday-Friday 8:30am - 1pm

**Where:** Antelope High School

**How:** Through team teaching and engaging social/academic activities  
~~~~~

Who should attend?

Students who:

- Scored basic to far below on their 7th grade California Standardized Tests
- Consistently received low grades in math and/or English
- Are motivated to improve academic performance, but may be lacking the skills necessary
- Need extra help with the transition from middle school to high school
- Need to form a social connection

(Students must meet one or more of the above criteria in order to be eligible for Summer Bridge)

If you are interested in having your student participate in this program, or have further questions, please contact your counselor.

~~ There will be an informational parent meeting held at AHS on Thursday, May 21st in the library from 6:00 p.m. - 7:00 p.m. ~~
